

Welcome to rhonda.™

It's time to truly know how your employees are doing

Improve your company culture today!

“Leaders are out of touch”
JARED SPATARO
VICE PRESIDENT

“Bosses are clueless that workers are miserable and looking to leave their jobs”

Dina Bass, April 2021

Bloomberg

www.financialpost.com/executive/careers/bosses-are-clueless-that-workers-are-miserable-and-looking-to-leave-their-jobs

Rhonda makes it easy to always know how employees feel about their work/manager/culture, enables employees to ask Rhonda virtually anything to get answers quickly wherever they are, and offers powerful automation and analytics to measure and respond.

Quickly know how your employees are doing...anytime

Rhonda gives you the tools to gain rapid feedback of your team, group or organization so you instantly, effectively and truthfully understand how your team is doing. And do something about it.

Ask Rhonda virtually *anything*

Quickly find the answers to virtually anything you need in your business via the powerful virtual assistant. Configure Rhonda to answer your most important questions and also customize the persona to match the personality of your business.

Powerful Automation & Analytics

Quickly see all your pulse results, feedback, your culture and performance to improve satisfaction and retention.

47%

of employees are not satisfied with their job

40%

of all employees are looking to leave their company.

only 54%

of companies even regularly ask their employees how they feel

The cost to replace a mid-level employee is approximately

30%

 of their salary

Gives everyone a voice that is heard

rhonda.ai

Everything you need to improve your organization today

Pulse to always know

Run a pulse daily, weekly or any time you choose to make it simple to know how your team or company is doing.

Ask Rhonda

Ask Rhonda is an AI help desk for your company to answer questions that employees ask frequently ask.

Track the feedback

If someone gives a low score in a pulse, Rhonda automatically creates a ticket for easy (and accountable) follow-up.

Simple Automation

Rhonda makes it easy to automate many routine tasks saving you valuable time (and money).

Powerful Analytics

Want to know how your company is trending in overall sentiment? Or quickly see all the pulses sent and participate rate? Rhonda makes it easy.

Communicate any way you like

Communicate with your team via SMS, the Rhonda mobile app or email. It's all there.

Rhonda results speak for themselves!

We built initially for our company IMI and the transformational results were excellent. We think you will love what is possible in your company!

Increased culture score by
